DOCK SHELTERS

Carrington Dock Shelters and Seal protect staff and good from the elements, whilst helping to maintain internal temperatures.

Foam Dock Pads

A simple cost effective and easy to install method of achieving a seal between the vehicle and loading bay.

KEY FEATURES

Manufactured from heavy duty woven fabric with heavy duty wear pleats and sewn in yellow parking guides.

Custom made to fit your fleet.

Rigid or Retractable Dock Shelters.

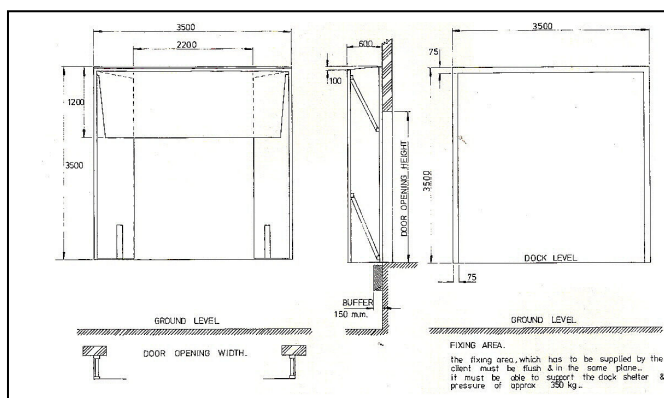

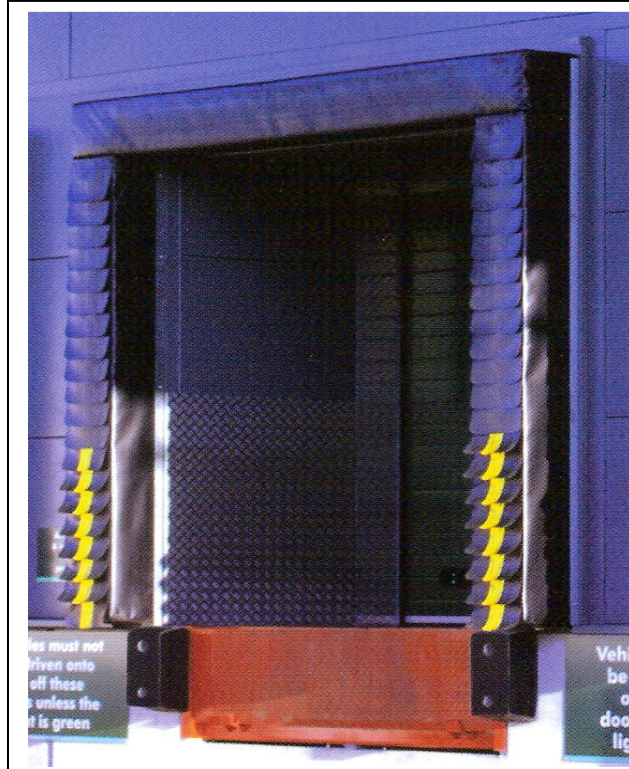

Made to either finish a dock height or continue to the floor, they provide an effective wide seal on a wider range of vehicles.

KEY FEATURES

Manufactured from heavy duty fabric, on a rigid or retractable framework.

Effective rain protection – no more wet and slippery floors.

Custom made to fit your fleet.
